Environmentally friendly

Digital printing requires less energy.

There are no limits to creativity

A photo, a picture or a memory.
Become an artist and transform your glass packaging into a unique work of art.

Univerre
excellence in glass

Speed and flexibility
A precise and fast printing process.
Changes or adjustments can
be made at short notice.

Every glass packaging becomes unique
What if your customer receives the glass packaging or drinking glass with his name or a number on it? Each product becomes unique and can be adapted to the needs of the consumer.

All senses united
Appeal to all senses of your customers and print a relief with up to 0.6mm on your glass packaging.
