

The image features three wine bottles lying horizontally on a dark grey surface. The top bottle has a white label with the text 'SOME IS WINE', 'THE WINE', and 'CHASSELAS MET'. The middle bottle is wrapped in a vibrant, comic-style illustration of a man with a blue helmet and a purple and gold suit. The bottom bottle is wrapped in a vibrant, comic-style illustration of a woman with blue hair, wearing a red top, with the word 'HAPPY' printed in large, stylized letters across her chest. The background is a dark, textured grey.

Digital printing

« Everything you can imagine is real »

Pablo Picasso

You are not alone.
We help you become unique.

« Creativity is not talent but attitude »
Jenova Chen

2 out of 3 consumers are more likely to buy products designed for their lifestyle.

On average, more than 1 in 3 consumers is interested in buying personalised products or services.

4 out of 10 consumers have a better perception of products that are tailored to their needs.

1 in 4 consumers is willing to pay more for a personalized product or service.

Environmentally friendly

Digital printing requires less energy.

There are no limits to creativity

A photo, a picture or a memory. Become an artist and transform your glass packaging into a unique work of art.

All senses united

Appeal to all senses of your customers and print a relief with up to 0.6mm on your glass packaging.

Speed and flexibility

A precise and fast printing process. Changes or adjustments can be made at short notice.

Every glass packaging becomes unique

What if your customer receives the glass packaging or drinking glass with his name or a number on it? Each product becomes unique and can be adapted to the needs of the consumer.
